Greetings, fellow Toastmasters and guests!

Welcome to Table Topics! Table Topics is one of the best ways to practice thinking and speaking on our feet or, in other words, impromptu speaking.

We never know when we may be asked a tough question, either by a supervisor, a news crew, or at job interview. It is to our benefit to practice impromptu speaking and to be in control of the situation, even if we don't know the exact answer. The more we practice this, the better we'll get.

Table topic speeches should be between 1-2 minutes. First, I'll call on club members who don't have a meeting role and then I'll call on guests within the allotted time. When you're called up, please do your best to speak for at least 1-minute.
